## KEY HISTORICAL MOMENTS

- 2008** To start 2008, former Lion Doug Flutie is inducted into the Canadian Football Hall of Fame. The Lions secure their 12th consecutive playoff spot and fifth consecutive Western Final berth with an 11-7 mark. Geroy Simon becomes the Lions all-time leading receiver surpassing Jim Young. Wally Buono pulls to within four wins of Don Matthews as the CFL's all-time winningest coach with 227 victories. The club and their fans are saddened by the loss of Bob Ackles in July. Defensive end Cam Wake is named the CFL's Top Defensive Player for the second-straight season and moves on to sign with the Miami Dolphins of the NFL.
- 2009** Jim Mills and Alondra Johnson are inducted into the Canadian Football Hall of Fame. Despite posting their first sub .500 mark since 2001, the Lions earned a cross-over berth into the East Division playoffs defeating Hamilton for their first-ever playoff game outside the West Division. Wally Buono became the all-time winningest coach in CFL history pushing his total to 235 wins over 20 seasons. Martell Mallett earns Top Rookie honours in the CFL while Rick Foley is named the league's Top Canadian Player for 2009.
- 2010** The Lions began the 2010 season with one of the slowest starts in club history, but went on to create the year of the comeback. The year played out in two halves with a 7-3 finish following on the heels of a 1-7 start. Facing elimination in each of the final three weeks the club edged Edmonton to finish third in the West and earn a date in Regina with the Riders. The Lions dropped their third overtime loss in a stretch of six games by a 41-38 score to end their run of six straight division final appearances. Solomon Elimimian earns the CFL's Most Outstanding Rookie Award while Paul McCallum and Ryan Phillips earn places on the All-CFL team. Yonus Davis is the West Division nominee for Outstanding Special Teams Player and Travis Lulay earns the starting job at quarterback late in the year.
- 2011** The 2011 season will go down as one of the club's finest in their long history. As in 2010, a slow start (1-6) was left behind as the Lions won all but one of their final 13 games on the way to their sixth Grey Cup victory. The 34-23 victory over Winnipeg in a tenth appearance was accomplished in newly rebuilt B.C. Place Stadium and before 54,313 fans. The win at home in the Grey Cup was the second time for the club and first in front of their own fans since 1994. Travis Lulay was named the game's Most Outstanding Player after capturing the regular season Gibson's Finest award earlier in the week. Andrew Harris was named the Most Outstanding Canadian in a year where he became the starting running back. Paul McCallum had a stellar season setting CFL records for FG percentage (94.3%) and consecutive makes with 30. He won the league Most Outstanding Special Teams Award and joined eight others on the CFL All-Star Team. Geroy Simon moved into the #2 spot among all-time CFL receivers at 15,087 yards. Attendance jumped to 267,525 with the return to B.C. Place highlighted by a crowd of 50,213 at the stadium re-opener on September 30, 2011.
- 2012** In 2012, Mike Benevides took over for Wally Buono as head coach and led the Lions to their best record since 2007 at 13-5 tying the league record for wins by a first year head man. The Lions started slowly at 2-2 but then ran off 12 wins in the final 15 regular season games to capture first place for the 13th time in team history. The club just missed out on a second straight Grey Cup appearance with a 34-29 loss to Calgary at B.C. Place in the West Final, their eighth Finals berth in the last nine years. Ten players made the Division All-Star including QB Travis Lulay for the second straight time and Korey Banks for his eighth in a row. Team Geroy Simon moved into the #1 spot among all-time CFL receivers at 15,787 yards despite missing five games. Andrew Harris became just the second Canadian to ever lead the CFL in yards from scrimmage with 1,830 and made the CFL All-Star Team.
- 2013** In Mike Benevides second year at the helm and the club's 60th season, the Lions made a strong start posting a record of 5-2 over the first seven games. They increased that to 9-4 creating a battle down the stretch with Calgary and Saskatchewan. BC ended up even with the Riders at 11-7 but in third on a tie-breaker necessitating a trip to Regina for the West Semi-Final where they dropped a 29-25 decision. The playoff spot extended the current, active run to 17 consecutive seasons – the third longest streak in CFL history. Ryan Phillips, Jovan Olafioye and Adam Bighill were named to the CFL and West Division All-Star teams while Solomon Elimimian, in his return to the club, rookie Cord Parks and veteran Dante marsh earned Western berths. Travis Lulay led the club in passing with 2,841 yards but missed 7 starts due to a shoulder injury. Andrew Harris again led the Lions in rushing with 998 yards (#3 in the CFL) and in yards from scrimmage with 1,511.
- 2014** A rollercoaster season for the Leos as injuries and inconsistent play resulted in a 4-5 record at home and a 9-9 finish overall in a competitive West Division. Operating without quarterback Travis Lulay for almost the entire season, the Lions leaned on journeyman pivot Kevin Glenn who was acquired in the off-season. The club overcame early-season losses to eventually push their record to 7-4 but three consecutive losses at the end of the season dropped the team to fourth in the division and a cross-over spot in the playoffs which pushed their postseason streak to 18 consecutive years resulted in a disappointing and lopsided road loss. The Lions dispatched third-year head coach Mike Benevides following the season and hired Jeff Tedford as its 25<sup>th</sup> head coach. There were bright spots despite the tough season as linebacker Solomon Elimimian set a new league record for defensive tackles with 143 and earned the CFL's Outstanding Player as well as Outstanding Defensive Player awards while also picking up a CFL All-Star selection along with fellow Leo Jovan Olafioye.
- 2015** Another step backwards for the Lions in 2015 as the club's record fell to 7-11 under first-year head coach Jeff Tedford. Quarterback Travis Lulay reclaimed the starter's role out of camp, but the offence struggled to a 3-5 mark before he was sidelined with a knee injury. Two games later, back-up John Beck was out for the season as well, and the Lions' season rested on the shoulders of rookie Jonathon Jennings. With linebacker Solomon Elimimian also out for the year with an Achilles injury suffered in August, the defence leaned heavily on Adam Bighill who responded by leading the CFL in tackles and eventually earning Most Outstanding Defensive Player honours. With Jennings at the helm, the Lions won three of their six remaining games finishing third in the West earning their 19<sup>th</sup> consecutive playoff berth. It was an early exit however as the Lions fell 35-9 in Calgary and it was an early exit for Tedford as well as the well-traveled NCAA coach resigned in early December to pursue U.S. college opportunities. With qualified candidates in short supply, Wally Buono announced that he would once again lead the Lions on the field in 2016.
- 2016** A resurgent and entertaining year for the Lions as their young, dynamic quarterback Jonathon Jennings led an exciting squad to a 12-6 record and a trip to the Western Final. Establishing identical 6-3 records at home and on the road, the 2016 edition of the club won late, won shootouts and even came out on top in tough defensive battles. Jennings led a vibrant offence with 5,226 passing yards, the third-best passing season in club history, while the duo running attack of newcomers Jeremiah Johnson and Anthony Allen helped the Leos to a CFL-high 2,082 rushing yards. Receivers Emmanuel Arceneaux and Bryan Burnham turned in fabulous performances earning West Division All-Star nods as did offensive tackle Jovan Olafioye – his seventh-consecutive. On defense, linebacker Solomon Elimimian returned from a season-ending injury in 2015 to lead the league in tackles with 129 and claim his second Most Outstanding Defensive Player selection. Fellow linebacker Adam Bighill also hit the century mark for tackles making the duo the first-ever pairing to record more than 100 tackles in the same season. A dramatic 32-31 win over Winnipeg in the Western Semi-Final made the club's first second-place finish since 1986 one to remember, but a tough outing the next week in Calgary showed the Lions that there is work to be done if a Grey Cup title is to return to the West Coast.
- 2017** A season which had plenty of high expectations going in certainly started out on the right foot as the Lions burst out of the gate to a 6-2 start. Injuries to both Jonathon Jennings and Travis Lulay along with bouts of inconsistent play led to a mid-season meltdown however, as the club stumbled to a 1-9 record the rest of the way and their first non-playoff year in two decades. There were a few bright spots on the season however, with three CFL All-Stars including Bryan Burnham, punter Ty Long and Solomon Elimimian whose 144 tackles set yet another CFL all-time mark. At the end of November, Wally Buono relinquished General Manager duties and appointed former Edmonton Eskimos executive Ed Hervey to the role. Hervey then announced that Buono would return for one final season as head coach.

## *KEY HISTORICAL MOMENTS*

**2018**

An active free agent season in February put a new face on the Lions defence heading into the 2018 season as the club acquired Odell Willis in the offseason along with number of new defensive backs. A 2-2 start to the season and a subsequent drop to 2-4 meant there was still plenty work to do on both sides of the ball, but when their third win of the year was followed by two more losses many were ready to write off the squad at the season's midway point. Wins in six of their next seven games not only pushed the team's record to 9-7 it also secured a playoff spot at the expense of the Edmonton Eskimos. Two losses to end the year sent the Lions east as the CFL's playoff crossover team and a 48-8 blowout loss to the Ticats was a disappointing end to head coach Wally Buono's time at the helm. The club produced five CFL All-Stars including kicker Ty Long who was also the West Division's selection as Most Outstanding Special Teams Player. In early December, GM Ed Hervey named former Calgary Stampeders defensive coordinator DeVone Claybrooks as the Lions' 26<sup>th</sup> head coach.

**2019**

Former Lions receivers 'Swervn' Mervin Fernandez and David Williams are announced as inductees to the Canadian Football Hall of Fame. The Lions open free agency with a bang, bringing back Mike Reilly with a four-year contract. Luring the top quarterback on the market leads to the signings of receivers Lemar Durant, a Coquitlam native and 2018 Grey Cup Most Valuable Canadian, and the charismatic Duron Carter. Running Back John White was also signed as well as local product Sukh Chungh on the offensive line. Despite the additions and plenty of excitement with the young and energetic Claybrooks on the sidelines, the team struggled to a 5-13 record and missed the playoffs for a second time in three seasons. Bright spots included Bryan Burnham moving into tenth all-time in Lions receiving yards while also becoming just the second in franchise history after Geroy Simon to record four straight 1,000-yard plus seasons. He finished with a career-best 1,492 yards, 100 receptions and 11 touchdowns. Reilly surpassed the 30,000-yard passing mark for his career and improved his total of 300-yard passing games to 51 for his career. Defensive lineman Odell Willis recorded his 100<sup>th</sup> career sack in a September 21<sup>st</sup> victory at Ottawa. Burnham and kicker Sergio Castillo were named as CFL West Division All-Stars. Claybrooks was relieved of his duties as head coach on November 6<sup>th</sup>. Rick Campbell was hired as the club's 27<sup>th</sup> head coach on December 2<sup>nd</sup>.
