HISTORICAL NOTES:

- The all-time BC Lions roster includes those players who played at least one game for the club between 1954 and 2019. In addition, there are a number of players shown with 0 games played. These players spent time on either the Active or the Injured List without being activated (but occupying legitimate roster spots) or played only in the post-season.
- Games played totals are based on records published annually by the CFL.
- Uniform numbers were obtained by a review of game programs and media guides back to the inaugural 1954 season.
