

SASKATCHEWAN ROUGHRIDER SEASON TICKET POLICIES

1. General

The Saskatchewan Roughriders Football Club grants the holder of a season ticket a licence for the applicable season to enjoy Roughrider home games in the assigned seat, subject to compliance with the rules established by the Club respecting fan conduct, with other legal regulations and obligations, and with complying with directions from Club personnel and security members and officers generally. Fans are required to have and produce their ticket (whether season holder tickets or game tickets) upon entry to Mosaic Stadium and as requested by Club personnel, security personnel or Stadium volunteers.

Rules of conduct may be reviewed at the following website: Fans Rules of Conduct www.riderville.com. All ticketholders are asked to read these Rules and by seeking entry to Mosaic Stadium, are deemed to agree to be bound by these Rules and other requirements related to holding tickets.

Season ticketholders are given the opportunity to renew their season tickets annually at times and on terms set by the Club from time to time. Season ticketholders will from time to time be offered certain opportunities and privileges based upon the number of consecutive seasons they have renewed their season tickets for, otherwise known as, their seniority as season ticketholders.

Season ticketholders may allow other persons to occupy the licensed seat during games throughout the season. Season ticketholders may not transfer the license associated with the season ticket except in accordance with the Club's policy or policies on season ticket transfers. The policy on transfers of season tickets is available at www.riderville.com

SASKATCHEWAN ROUGHRIDER SEASON TICKET TRANSFER POLICY

1. Who May Apply to Transfer Season Tickets?

Ticket Transfers and Inquiries.

Transfers of the license related to season tickets and season ticket inquiries may only be made by the owner of the season ticket(s), or an accepted and authorized representative. A transfer request, if approved, results in a transfer and assignment of the license that the season ticket holder has in relation to the season ticket.

The ticket owner or a person recognized by the Club as a proper representative, can make inquiries and apply to transfer the season ticket. Examples of recognized representatives are persons holding a power of attorney from the ticket owner, executors

or other personal representatives of a deceased ticket owner or an officer of or partner in a corporation or partnership that is the ticket owner.

Permitted Transfers

The Club has to approve all transfers of season tickets. The Club will, upon receipt of a completed Transfer Application Form, usually approve a transfer of season ticket(s) along with seniority associated with the season ticket in the following circumstances:

- (a) A transfer to an immediate family member, which includes a spouse, parent, child or sibling (provided such person is over the age of eighteen (18) at the time of the submission of the Transfer Application Form);
- (b) A transfer of a season ticket arising as a result of a divorce or separation. A court order transferring a season ticket will be recognized, as will a duly executed separation agreement dealing with a season ticket and other proof of such transfer may be required.
- (c) A personal representative may transfer the season ticket of a deceased ticket owner. Proof of death and proof of the legal capacity of the representative shall be required by the Club.

A season ticket holder that is a corporation or other legal entity can apply for approval of a transfer of a season ticket upon proper proof of the authority of the transferor to the Club. The seniority of the transferor will not be conveyed with the season ticket(s) and the transferee will commence a new seniority.

2. Termination of Sponsorship Agreements with the Club

Upon termination of a sponsorship agreement, all season tickets licensed to the sponsor will be terminated and there shall be no further right or license by the sponsor to those seats or the tickets related thereto. This also applies to Club seating, suites, loges and other tickets (season tickets or game tickets).

3. Transfer Application Form

Each person seeking Club approval to transfer season tickets shall complete a Transfer Application Form. Unless otherwise agreed by the Club, a transfer shall take effect for the following football season, provided that the application is received no later than February 28th in the previous year. The Club has the complete discretion to accept a transfer of season tickets at other times and with other effective dates.

All transfer applications must be submitted to the Club by mail, email or delivery at the Club's ticket office(s).

A Transfer Application Form must be completed by both the Transferor and the proposed Transferee. The Application form can be found at www.riderville.com or visit The Rider Ticket Office.

The Riders strictly prohibit any transfer of season tickets except in the circumstances and in accordance with the processes outlined above. Any unauthorized transfer of season tickets, or any attempt to circumvent the Official Policy on Transfer of Rider Season Tickets, will result in a violation of the Season Ticket Holder Policy, which may result in the cancellation of the season ticket license and termination of season ticket holder privileges.

4. When is the Deadline for Submitting a Transfer Application Form?

Season ticket transfers are processed in September for the following football season up to February 28th. Transfer forms received after February 28th will be held on file and processed the following year.
